

# WRITING YEAR-II

## Letter Formation

- Continue practicing legible writing of upper and lowercase letters.
- Reinforce correct stroke order for each letter, ensuring consistency.

## Capitalization

- Apply capitalization rules to proper nouns, titles, and the beginning of sentences.
- Consistently use capital letters in all appropriate contexts.

## Spelling

- Spell commonly used and sight words accurately.
- Use phonetic strategies to spell unfamiliar words.
- Practice spelling words encountered in daily reading and writing activities.

## Vocabulary

- Expand vocabulary through exposure to new words in reading and conversation.
- Use a variety of descriptive words (adjectives) to add detail and depth to writing.
- Experiment with synonyms and antonyms to enhance word choice.

## Sentence Structure

- Write complete sentences with proper capitalization and punctuation.
- Practice composing sentences with more complex structures, including compound sentences.
- Vary sentence length and structure to improve writing fluency.

## Composition

- Write complete sentences with proper capitalization and punctuation.
- Practice composing sentences with more complex structures, including compound sentences.
- Vary sentence length and structure to improve writing fluency.

## Punctuation

- Use basic punctuation marks (periods, question marks, exclamation marks) correctly in all writing.
- Introduce commas in lists and to separate ideas in sentences.

## Editing and Revising

- Begin to self-edit for capitalization, spelling, and punctuation.
- Practice revising writing to improve clarity, detail, and organization.
- Encourage peer editing to provide and receive feedback.
