

WRITING YEAR-III

Nouns and Their Usage

- Learn about nouns, including singular and plural forms, irregular nouns, and abstract nouns.
- Practice identifying and using nouns correctly in writing.

Personal Narrative Writing

- Develop personal narratives by starting with engaging situations, using descriptive language and dialogue, and concluding with a strong ending.
- Focus on proofreading narratives for accurate dialogue and spelling.

Understanding Root Words

- Explore root words and their meanings, including those related to science and math.
- Enhance vocabulary through synonyms, antonyms, and word families.

Pronouns and Agreement

- Study different types of pronouns, including subject, object, and possessive pronouns.
- Practice subject-verb agreement and pronoun-antecedent agreement in writing.

Opinion Writing

- Express opinions clearly with well-written introductions, developed arguments, and effective conclusions.
- Focus on proofreading for correct pronoun usage and spelling.

Prefixes and Contractions

- Explore prefixes and their meanings, along with a review of contractions.
- Understand how prefixes alter word meanings and apply this knowledge in writing.

Possessive Forms

- Use basic punctuation marks (periods, question marks, exclamation marks) correctly in all writing.
- Introduce commas in lists and to separate ideas in sentences.

Informative Writing

- Learn to research, organize details, and write informative texts on various topics.
- Develop informative essays with clear introductions, well-developed content, and effective conclusions.
